

Ten Top Tips for Train Travel

SOUTH DOWNS
NATIONAL PARK

Here are some 'top tips' for you to think about when you are planning a visit by rail:

Book tickets through Southern Group Travel - this will give you discounted fares.

www.southernrailway.com/tickets-and-fares/railcards-and-discounts/group-travel-booking-form

Download the National Rail Enquiries 'app' to give you live information about train services.

Allow plenty of time to get to the station.

Organise your students into small groups with a nominated adult.

Make sure pupils know what to do if anyone gets separated from the group.

Let passengers getting off the train go first.

Get a seat as quickly as possible once you are in the carriage and stay seated.

Sit in next to the windows so that other passengers can sit down more easily.

Make sure that pupils know which stop to get off at.

Give your students a warning to collect their bags etc, with one stop to go.
